

## Getting YOU Pet-Ready!

To help you make the transition from the pet-free lifestyle to pet parenthood easier, let's start off with a checklist of nine pet essentials that will definitely come in handy once your quadruped companion has arrived:

Get new [Bounce Pet Hair & Lint Guard dryer sheets](#) to repel pet hair and keep your clothing shed free. Also available in [unscented variety](#)

Buy an easy-access fanny pack for yummy treats to reward your pet's good behavior

Dog gates for your pet's safety and to secure off-limits areas in your home

Double check your pet-proofing and make sure your pets don't have access to wires and that all plants are pet-friendly

Swiffer Heavy Duty Pet refills to tackle pet messes on hard-surface floors

Grab some odor neutralizer to eliminate odors when accidents happen

Buy a "My Pet Is Home Alone" keychain for emergencies

Add the pet poison hotline number to your phone in case your furry friend gets into something they shouldn't, like chocolate or grapes

Ask for stickers from your alarm company or vet that you can stick somewhere visible to indicate the number of pets inside your home in case of an emergency
